## LOCATION

**C**HICAGO-KENT College of Law owns and exclusively occupies its own building, which is completely fireproof, especially designed for use of the College and has installed therein modern heating and ventilating systems. It is located in the downtown district of Chicago at 10 North Franklin Street, near the courts, the law offices and the principal transportation lines. It is easy of access from all parts of the city and suburbs. It also owns the Chicago-Kent College of Law Library Building which contains the library reading room and faculty chambers and is located at 12 North Franklin Street adjoining the College Building.

For the purpose of consolidating these buildings into one harmonious, efficient and completely modernized educational structure, the College is now engaged in an extensive remodelling program. When completed, the College facilities will be equipped with year-round air conditioning and other appropriate conveniences.

## HISTORICAL

This College was established in 1887 as the Chicago Evening Law Class. The Chicago College of Law was an outgrowth of this class and was incorporated as an educational corporation of Illinois in the year 1888. Its immediate success was due to the able leadership of its first Dean, Hon. Joseph M. Bailey, chief justice of the Supreme Court of the State of Illinois. It was the Law Department of Lake Forest University from 1889 to 1902. When that University was reorganized as a college, the professional schools became independent. Kent College of Law was incorporated under the laws of the State of Illinois in 1892. In 1900 the two Colleges were consolidated and have since been known as the Chicago-Kent College of Law. The College occupied quarters in the Athenaeum Building in Chicago until 1912. It then moved to the Lake View Building where it remained until the opening of the academic year 1924-5. Since 1924, it has been housed in its own exclusively occupied buildings.

Upon the death of Dean Bailey in 1896, Hon. Thomas A. Moran, presiding justice of the Appellate Court for the First District of Illinois, recognized as one of the foremost lawyers of the state, became Dean of the College. After his death in 1904 he was succeeded as Dean by the Hon. Edmund W. Burke, former justice of the branch Appellate Court for the First District of Illinois. His able administration laid the foundation for the present success of the College, and continued to the time of his death in 1918. At that time Webster H. Burke, formerly Assistant Dean, became President and Acting Dean and in 1920 Dean of the College. Upon his resignation as Dean in June 1949, Professor Donald Campbell, then Assistant Dean, became Acting Dean, and in 1950 Dean of the College. Upon the resignation of Dean Campbell in June 1956 Professor

William F. Zacharias, then Assistant Dean, became Acting Dean, and in 1959 Dean of the College.

## ORGANIZATION

Chicago-Kent College of Law is not a proprietary institution. It is independent, endowed and non-sectarian. In 1907 it was incorporated under the laws of the State of Illinois as an educational institution and not for pecuniary profit. The College is governed by a board of trustees, who delegate to the Dean and the faculty matters of educational administration.

## ACCREDITATION

The College is included in the American Bar Association list of approved schools and is a member of the Association of American Law Schools.

## DAY AND EVENING SCHOOLS

Instruction is offered in both a day school and an evening school. The day school is for those students who are able to devote their full time to the study of law. The day curriculum is arranged to permit completion of the course in three years. The evening school is principally for those students who, by reason of employment during the day, are unable to devote their full time to the study of law. The evening curriculum is arranged to permit completion of the course in four years. Entrance, scholastic and graduation requirements are the same for both schools. The course of instruction and the faculty are substantially identical in the day and evening schools.

The advantages of pursuing a course of law studies in a great business center like Chicago are well worthy of consideration. The College buildings are near the courts and law offices. Part-time students are encouraged and assisted as far as possible in obtaining employment in law offices. Many members of the Bar of Chicago are alumni of Chicago-Kent College of Law, which fact frequently aids part-time students in finding such employment.

## LIBRARY

The College has its own library of more than twenty-five thousand books, including the Illinois Supreme and Appellate Reports, the several sets of annotated reports, the National Reporter System, and the separate state reports of all states prior thereto, the standard legal Encyclopedias and Digests, English Reports, English Reprint, the publications of the Selden Society, leading Canadian Reports, sets of annotated federal and state statutes, standard text-books and leading legal periodicals.

The library reading room is located on the first floor of the CHICAGO-KENT COLLEGE OF LAW LIBRARY BUILDING at 12 North Franklin Street. It will be relocated in both enlarged and more suitable quarters within the College premises upon completion of the remodelling program now in progress.

## ADMISSION OF STUDENTS

**DATES OF ADMISSION:** Students are admitted to the College in September and February of each year and may be admitted at a summer term but it is desirable that the student commence the study of law in September.

**ENTRANCE REQUIREMENTS:** Applicants will be admitted to the College only after receipt of proper evidence that the particular entrance requirements have been met and upon acceptance of the application for admission. Applicants will then be classified in whichever of the following categories would be appropriate:

(1) An applicant for admission as a regular student and a candidate for the degree of JURIS DOCTOR (J.D.) must present evidence that he has previously obtained or become entitled to receive a bachelor's degree in Arts, Science, Philosophy, or an equivalent degree, from an approved college or university. If the degree is to be awarded at a time subsequent to the date of admission and enrollment in classes, supplemental proof of the award of the undergraduate degree must be furnished following upon the actual conferring of such degree.

(2) An applicant for admission as a regular student and a candidate for the degree of BACHELOR OF LAWS (LL.B.) must present evidence that he has satisfactorily completed not less than three-fourths of the total of work acceptable for a bachelor's degree on the basis of four years of study, taken in residence at one or more approved colleges or universities, to be determined with reference to the degree requirements of the college or university last regularly attended. The applicant must have an over-all average on all work taken of the character regarded as acceptable for this purpose of not less than "C" or the equivalent thereof. The pre-legal college work taken by the applicant must be such as to satisfy the faculty of this College that the applicant has the proper foundation for the study of law. The mere possession of the prescribed total number of hours may not be sufficient to justify admission. As undergraduate courses of study vary, the work offered by each applicant must be considered independently of any other for this purpose.

(3) Subject to approval by the Committee on Admissions in each instance, a student from an approved law school, if in good standing at the school last attended, may be admitted to advanced standing on technical probation as a TRANSFER STUDENT provided he is otherwise qualified for admission as a regular student and a candidate for a degree. The extent of the credit for the prior law study will be subject to the determination of the Committee on Admissions and allowance of credit will be withheld until the TRANSFER STUDENT has satisfactorily completed not less than 25 semester hours of law study at this College. No applicant will be admitted to advanced standing who has been denied re-admission to, or is ineligible to return to, the law school last attended as a student in good standing.

(4) In special instances, a person of maturity not otherwise qualified for admission as a regular student and a candidate for a degree may be ad-

mitted as a SPECIAL STUDENT but not until his record has been submitted to the Committee on Admissions for examination and review and he has been given permission to enroll as a SPECIAL STUDENT. The number of special students who may be admitted in any year is subject to limitation.

(5) A person seeking to attend the College as a NON-MATRICULATED STUDENT for the purpose of earning credit in one or more courses to be used toward the satisfaction of the requirements for a law degree at another approved law school, may be admitted provided he produces evidence of good standing and of approval as to the desired program in the form of a statement so certifying issued by the Dean of said other law school. Such applicant must accompany the required statement with an application for admission on the form prescribed by the College but will not be required to pay any application fee or to furnish those educational transcripts required of other applicants.

Any person who is in doubt as to his eligibility for admission under any one of the foregoing categories may submit a preliminary transcript of work completed to date and of work in progress with a written request for evaluation and specific recommendation.

While no college subjects in preparation for law study are prescribed, it is recognized that a mastery of written and spoken English is essential to the successful pursuit of a law course and to the practice of law. Accordingly, all applicants should be adequately prepared in the use of English prior to enrolling for law study.

**ADMISSION PROCEDURE:** In order to be admitted, each applicant is required to (1) complete and file an application for admission on the form prescribed by the College, which form is available on request addressed to the Registrar, accompanied with preliminary information as to the category in which the prospective applicant believes he will qualify; (2) accompany such application with the prescribed application fee in the amount set forth on page 19 hereof; and (3) cause each college or university previously attended by the applicant to send by mail *direct to the Registrar of this College* an official transcript showing the applicant's complete record at said institution. A transfer student must, in addition, cause each law school previously attended by him to send by mail *direct to the Registrar of this College* an official transcript showing his complete record at said law school. If an applicant has attended more than one college or university, or more than one law school, he must cause transcripts to be furnished by each institution, notwithstanding the fact the transcript from one or more of said institutions may reflect all or part of the applicant's record at other institutions. The complete high school record of the applicant must be disclosed on at least one of the transcripts submitted or must be evidenced by a separate transcript showing high school graduation.

Upon receipt of all required information, the record of the applicant will be evaluated and he will be advised promptly as to his eligibility for admission. To avoid delay, it is recommended that orders for transcripts be given as promptly as possible. Complete transcripts may be submitted

at any time but should be on file before the opening day of the semester or term at which the applicant seeks to enroll for work at the College.

While the College does not presently require that the applicant for admission take any law aptitude or law school admission test as a condition for admission, the result of such test, if one has been taken, should also be furnished for consideration in connection with the application.

## MODE OF INSTRUCTION

The chief aim of the College is to teach legal principles and to prepare for the actual practice of law. The course of study conforms to the standards of the Association of American Law Schools, of the Council of the Section of Legal Education of the American Bar Association, and to the requirements of the Supreme Court and the Board of Law Examiners of the State of Illinois.

The course is designed to be sufficiently broad to prepare students for practice in other states, although special attention is given to Illinois practice. The case method is employed. There are also included exercises in drafting contracts, pleadings, and other legal documents, in the preparation of briefs, and in the conduct of causes in the practice court.

Students are required to study and brief all assigned cases in each of the courses, and examinations, both oral and written, are given from time to time. Written final examinations are required in all courses reasonably susceptible thereto.

The College aims to acquaint its students with at least the rudiments of the legal skills and techniques needed by the practicing lawyer, such as the ability to conduct research and to express the results in written briefs, arguments and opinions. To that end, all students are required to take the course in Legal Bibliography and either Research I or II as directed. Each student is a member of the Chicago-Kent Junior Bar Association which is affiliated with the Illinois State Bar Association. For the purpose of gaining familiarity with the preparation and presentation of cases, members of this association are urged to participate in its moot court program. The course in Trials is required and provides training in introducing testimony and the making and arguing of objections. The courses in Practice I and Property IV provide laboratory training in the drafting of legal documents, in the examination of titles, and in conveyancing.

## CLASS PERIODS AND ATTENDANCE

The class periods of one and one-quarter hours each are held in the day and evening, beginning at nine-forty-five, eleven, twelve-fifteen, one thirty, two forty-five, six and seven fifteen o'clock respectively.

Each student is required regularly and punctually to attend all sessions of classes for which he is enrolled and to remain throughout the sessions. Credit deduction will be made where this requirement is not met.

Note: The above curriculum, including books therein mentioned, is subject to change without notice. The student should consult the Registrar before making book purchases. Some of the above courses may not be offered during the year 1959-60.

## REGISTRATION FOR COURSES

The faculty reserves the right to determine the arrangement of courses and the order in which the student shall pursue the study of law, although a reasonable degree of election by the student will receive approval. Each candidate for a degree is expected to complete the work in not less than three years nor more than six years. Programs of students in the evening division, being those whose work consists of classes not terminating on or before four o'clock p.m., are limited to ten hours per week (being ten semester hours credit per semester). Such students are classified as part-time students and will require four academic years to complete the course. Programs of other students are not so limited. Such students are classified as full-time students and may complete the work in three academic years. No student while in attendance at this College may enroll for work at another educational institution, for credit or otherwise, except with special permission of the faculty.

A separate schedule of course offerings is prepared in advance for each semester or summer term. A copy thereof may be obtained at the College office at an appropriate time. Following upon release and on the basis of this schedule, a written recommendation is made to each student as to the work for which he may be qualified to enroll. After approval of this recommendation by the student, or upon any approved modification thereof designed to meet the needs of the particular individual, the student

is enrolled for class work and is furnished with an official program of study for the ensuing semester or term. No separate registration or attendance at the College in advance for registration purposes is necessary.

A student is not permitted to attend nor to receive credit in any course not listed on his current official program. Subsequent change in an official program of study is permitted where needed, but not until written request for change has been submitted and been given approval. Such requests should be submitted promptly to avoid an excessive proportionate tuition charge. A student who finds it necessary to withdraw completely but who seeks to do so without prejudice to his right to re-enroll at a subsequent time if otherwise eligible should submit his request in writing with evidence of payment of all charges accrued to the date of withdrawal. An unapproved withdrawal from any or all courses listed on an official program may result in an automatic failing grade therein.

## DEGREES AND HONORS

Effective on and after January 2, 1960, degrees will be conferred by the Trustees of the College upon students who are recommended therefor by the Dean and faculty. Before a student will be recommended for a degree, he must have complied with the requirements of the degree for which he is a candidate.

The degree of BACHELOR OF LAWS (LL.B.) will be conferred upon candidates who have completed eighty (80) semester hours of law study, including all required courses, with an over-all grade average of not less than "C" or the equivalent thereof. Where, in the opinion of the faculty, the candidate's record of scholarship merits special recognition, the degree of bachelor of laws may be awarded "With Honor" or "With High Honor."

The degree of JURIS DOCTOR (J.D.) will be conferred on candidates who, in addition to completing the requirements for the degree of bachelor of laws, have also

(a) received, or become entitled to receive, not later than two (2) years after commencing the study of law, a degree in Arts, Science, Philosophy, or an equivalent degree from an approved college or university based upon four (4) years of study exclusive of credit for any completed law study,

(b) completed not less than one-half of the required total of law study at this College, and

(c) attained an average grade of 1.500 or better on all work taken at this College.

Where, in the opinion of the faculty, the candidate's record of scholarship merits special recognition, the degree of JURIS DOCTOR may be awarded "With Honor" or "With High Honor."

No degree will be granted except after one year of resident study in

this College to consist of not less than twenty-five (25) semester hours of work.

(Note: For prior degree requirements, see Seventy-first Annual Announcement, page 12.)

## SCHOLARSHIP REQUIREMENTS

Grades are given in accordance with the following scale:

A	(Excellent)	3 Grade Points Per Hour
B	(Good)	2 Grade Points Per Hour
C	(Fair)	1 Grade Point Per Hour
D+	(Poor)	0 Grade Points Per Hour
D	(Very Poor)	-1 Grade Point Per Hour
E	(Failed)	-2 Grade Points Per Hour

The student must maintain a grade point average of 1.000 for credit. Failure to maintain such average places the student on probation. In such event, no grades below C are considered to be satisfactory.

A student who after the initial semester or summer term, thereafter fails to maintain an overall average of 1.000 on all work taken at the College, will be ineligible to register for further work, except with special permission of the faculty. The faculty also reserves the right at any time to cancel the registration of a student whose work is considered to be unsatisfactory.

## SCHOLARSHIPS AND PRIZES

**THOMAS A. MORAN SCHOLARSHIPS.** In memory of the late HON. THOMAS A. MORAN, Dean of the College from 1896 to the year 1904, there are offered scholarship prizes to undergraduate students who, in the opinion of the faculty, are most proficient in scholarship and legal research. These scholarships are supported by and the amount thereof fixed by the income realized from the fund contributed by former members of Judge Moran's classes, held by the trustees of the College, and known as the MORAN MEMORIAL FUND. The principal of this fund amounts to \$4500.00.

**EDMUND W. BURKE AWARDS.** In memory of the late HON. EDMUND W. BURKE, Dean of the College from 1904 to the time of his death in the year 1918, members of his family have donated to the College a fund of \$2000.00 to be held by the trustees of the College, the income arising therefrom to be used perpetually in providing such scholarships and other awards as said trustees may deem suitable for students of the College who excel in forensic oratory.

**RAMSEY-BURKE SCHOLARSHIP.** Certain legatees under the last will and testament of Jane Ramsey, deceased, late a resident of the City of

Belvidere, County of Boone, in the state of Illinois, in memory of said deceased, donated to the College from their said legacies the sum of \$2000.00, to be known as the RAMSEY-BURKE MEMORIAL FUND, the income therefrom to be devoted to the support of scholarships for such residents of said county of Boone as from time to time may be selected by a designated committee. Application for this scholarship may be made to the dean of the college.

CAMPBELL SCHOLARSHIP FUND. In recognition of the years of service of Donald Campbell, a member of the faculty of the College from 1924 to the date of his retirement in 1956, during the last seven years of which period he also served as Dean, certain of the members of his classes caused a fund to be created, held by the trustees of the College, to be known as the CAMPBELL SCHOLARSHIP FUND. Subject to the terms of the grant, the income from this fund is to be used perpetually in providing such scholarships and other awards as said trustees, on recommendation of the faculty, may deem suitable for students of the College who excel in scholarship. The principal of this fund presently amounts to \$3,000.00.

CHICAGOLAND MERIT LAW SCHOLARSHIPS. In an effort to meet the continuing demand upon the legal profession to furnish leadership in the modern world, the College has instituted a program of scholarships to be awarded to graduates of approved colleges and universities in the Chicagoland area who have completed their work with excellent records and who have evidenced superior aptitude for legal training. These scholarships, covering complete tuition, possess a value in excess of \$1400.00 each. Recipients thereof will be designated as *Chicagoland Merit Law Scholars*. Applications for these scholarships should be addressed to the dean of the College.

CHICAGO TITLE AND TRUST COMPANY FOUNDATION SCHOLARSHIPS. Several scholarships, covering tuition, books and incidental fees, will be provided as the result of a special grant made to the College by the Chicago Title and Trust Company Foundation. Application for these scholarships should be addressed to the dean of the College.

NATHAN BURKAN MEMORIAL COMPETITION. In memory of Nathan Burkan, one of its founders, the American Society of Composers, Authors, and Publishers offers a first prize of \$150 and a second prize of \$50 annually to members of the senior class who, in the opinion of the dean or of such committee as he shall appoint, prepare the best papers on some aspect of Copyright Law. Successful papers are placed in national competition with similar papers produced by students of other invited schools. A national committee selects the five best papers, which are then published annually in a book entitled *Copyright Law Symposium*.

BUREAU OF NATIONAL AFFAIRS PRIZE. A certificate and a year's subscription to *United States Law Week* is presented annually by the Bureau of National Affairs, Inc., Washington, D.C., to the graduating senior who has made the most satisfactory progress during his senior year.

**AMERICAN JURISPRUDENCE PRIZES.** The Lawyers Co-operative Publishing Company, Rochester, New York, and Bancroft-Whitney Company, San Francisco, California, jointly offer certain prizes each year consisting of specially bound titles from *American Jurisprudence* in designated subjects, to be awarded to students receiving the highest grade in such subjects.

### CHICAGO-KENT LAW REVIEW

The CHICAGO-KENT LAW REVIEW was established in February 1923, is published semi-annually, and is a member of the National Conference of Law Reviews. It is a legal periodical containing leading articles, discussions of recent decisions, notes and comments, and book reviews. The section devoted to the discussion of recent decisions is composed of articles written by undergraduate students of high scholastic ability. In the preparation of such articles, the student works under the supervision of a faculty member. No student is eligible for membership in the Society of Kent Honor Men unless he has prepared an acceptable study for the Law Review.

### SOCIETY OF KENT HONOR MEN

This society is composed of senior students and alumni who have been elected thereto on the basis of scholastic ability and general attainment while undergraduates and who have each produced a law study which has been found worthy of publication in the CHICAGO-KENT LAW REVIEW.

### CHICAGO-KENT JUNIOR BAR ASSOCIATION

THE CHICAGO-KENT JUNIOR BAR ASSOCIATION was organized in 1941 and is affiliated with the Illinois State Bar Association. All eligible regular students at Chicago-Kent College of Law are enrolled as members, dues being covered by the incidental fees. Its officers are elected each year from the student body. For the benefit of its members the association conducts a moot court and also cooperates with the parent state organization in its program of activities, including its intercollegiate moot court competition.

### CHICAGO-KENT UNION

CHICAGO-KENT UNION was organized at the Fortieth Anniversary Luncheon and Homecoming held on June 9th, 1927. The Union consists of the alumni of Chicago-Kent College of Law comprising graduates of the original Chicago College of Law, Kent College of Law, Western College of Law, Webster College of Law and of the other institutions merged and affiliated therewith, and the current trustees, faculty and student body of Chicago-Kent College of Law.

Under the direction of the trustees of the college, the governing body, the activities of the Union are carried on through class representatives on the Ways and Means Committee.

The purpose of the organization is to foster a closer relationship between the institution and its alumni and students, to provide opportunity for reunion of classes, and bring to the students the inspiration that comes from association with those who have attained the goal which they seek.

## OTHER UNDERGRADUATE ORGANIZATIONS

In addition to other undergraduate student organizations, honorary or professional in character, the following national professional fraternities have established chapters at the College:

Phi Delta Phi  
Phi Alpha Delta

Kappa Beta Pi (Sorority)  
Nu Beta Epsilon

## STUDENT LOUNGE

A student lounge, equipped for the convenience of students, is located on the second floor of the main building. It will be relocated in both enlarged and more suitable quarters, equipped for audio-visual and similar programs and with adequate individual lockers, upon completion of the remodelling program now in progress.

## TUITION AND OTHER FEES

**APPLICATION FEE:** An application fee of \$10.00 must accompany the official form of application for admission. This fee is charged only once, is not transferable or refundable, but will be returned if the application for admission is denied. The application fee may not be applied as an advance payment on other fees or charges.

**TUITION FEES:** Tuition is charged at the rate of \$18.00 per semester hour. Students are expected to carry a normal load of not less than 12½ hours in the day division, or not less than 10 hours in the evening division. Students may enroll for lesser programs with permission but those taking less than 7½ semester hours of work in any one semester or summer term will be charged at the rate of \$20.00 per semester hour.

**INCIDENTAL FEES:** An incidental fee of \$7.50 is charged each student in each semester and is devoted to the support of certain student enterprises. In addition, incidental fees of varying amounts are charged to those enrolled in certain courses, but not exceeding \$2.00 in any one course, to cover the cost of materials required therein.

**DIPLOMA FEE:** A diploma fee of \$25.00 will be charged and will be payable in the final semester or term.

**TRANSCRIPT FEES:** A first transcript of record will be furnished on request and without charge. Additional copies may be obtained upon payment of \$1.00 in advance for each additional copy desired.

**ADVANCE DEPOSIT:** An applicant who is accepted for admission is required to make an advance deposit of not less than 10% of the total

billing for tuition and other charges, exclusive of the application fee, within thirty days after notice of acceptance has been sent and registration for classes has been completed to maintain his registration or, if time does not permit, is required to make an equivalent deposit not later than the opening day of the semester or term. This deposit will be applied as part payment of tuition and other charges but will be refunded only in a proper case and then in the manner hereinafter described.

**PAYMENT OF TUITION AND OTHER CHARGES:** All tuition and other charges, whether billed to a beginning student or to one continuing in attendance, are payable in advance at the opening of each semester or term. If a student finds it a hardship to pay charges in full by that time, arrangement for the installment privilege must be made promptly and before the end of the first week. Such a student will be required to pay not less than 20% of the total, plus a \$2.50 carrying charge, within the first week to secure approval of his proposed manner of making deferred payments and the balance must be satisfied in the manner and by the final date disclosed in the approved plan of payment.

**FINANCIAL DELINQUENCY:** Students who have unpaid accounts and are delinquent in their financial obligations are subject to exclusion from classes until payment has been made and every registration is provisional and subject to cancellation by the College at any time until all bills are paid. Under no circumstance will a student be permitted to take any final course examination or receive any credit for the work of a semester or term who owes any unpaid charges on the day scheduled for the commencement of the examination period. No transcripts or other certificates will be issued on behalf of a student who is indebted to the College for unpaid tuition or other charges.

**LATE ENTRY:** No deduction will be made in tuition or other fees because of late entry and every entrant or re-entrant who is not registered for classes on or prior to the opening day of any semester or summer term will be charged a late entry fee of \$2.50

**WITHDRAWAL:** A student desiring to withdraw from courses at any semester or term should submit a written request for permission to withdraw without prejudice to later re-enrollment, giving the reasons for such withdrawal. Upon approval thereof, such student may receive a partial refund of prepaid charges on the basis of, or will be billed for unpaid charges in accordance with, the following schedule:

- (a) Withdrawal without attending any classes or up to end of first week of semester, proration on the basis of a charge of 10% of tuition and other incidental fees;
- (b) After first week and up to end of second week, on the basis of 20%;
- (c) After second week and up to end of fourth week, on the basis of 40%;
- (d) After fourth week and up to end of sixth week, on the basis of 60%;

(e) After sixth week and up to end of eighth week, on the basis of 80% ;

(f) After eighth week, on the basis of 100% ;

except that, for purpose of a summer term, the aforementioned time periods shall be reduced by one-half. All withdrawals will be dated as of the end of the college week in which the last class was attended and no reduction for a fraction of a week will be made other than in the manner directed as to a summer term. Refundable credits must be claimed within one calendar year from the beginning of the semester or term in which such credit accrued.

**EFFECT OF DISMISSAL:** In the event a student is dismissed for failure to meet scholastic requirements during any immediately preceding period of instruction, no tuition or other fees will be charged on the cancelled registration and any payment made thereon will be refunded in full on application therefor.

**VETERANS:** The College is on the approved list of the Veterans Administration, hence veteran students, if otherwise eligible, may enroll in the program offered by the College and obtain the benefits afforded by the applicable public law. The veteran should first make his application to the appropriate office of the Veterans Administration. Until this application has been duly processed, the veteran's file will be incomplete. As the time element is an extremely important consideration in all veteran matters, the veteran is advised to initiate the necessary procedure promptly to avoid possible loss or delay in the payment of benefits. Appropriate certificates for the payment or continuation of benefits will be issued periodically by the College Registrar, acting as veteran advisor, provided the veteran student is eligible to receive the same and co-operates promptly in the matter of the completion thereof.

**LOAN FUNDS:** In addition to general loan funds administered by or under arrangement with the College for the benefit of worthy students in need of financial aid, steps have been taken to qualify the College and its students for loans under the terms of the federal National Defense Education Act of 1958 (Public Law 85-864). Applications for loans should be made to the dean of the College but it should be noted that loans are not ordinarily made available to students during the first year of attendance at the College.

## RIGHTS RESERVED

The College reserves the right, without notice, to change requirements for admission or graduation; the arrangement, time, credit or content of courses; the books to be used; the tuition or other fees charged; the regulations affecting students; or any and all other matters contained in this announcement.
